YOU HAVE ARRIVED

Check-in to the experience of a lifetime. Our friendly staff will take your luggage and whisk you away to your exquisite private ocean-facing suite.

This is the perfect opportunity for a “time-out” to relax and prepare for the proceedings of your stay.

GOOD MORNING

Awaken feeling well-rested and ready for what the day holds. Enjoy a cup of coffee while taking in the vast expanse of the Indian Ocean. Make your way down to the White Pearl Restaurant and join your colleagues for meze platters laden with fruit, freshly baked pastries and delicious treats for breakfast.

GETTING DOWN TO BUSINESS

The best results are achieved in the morning. Use this opportunity to settle down in our elegant conference lounge – a creative setting for you and your team to have open conversations about where you are, where you want to go to and how you are going to get there.

Keep the energy levels up with coffee, tea and delectable biscuits served throughout.
YOU'VE EARNED A BREAK
Take small breaks in between meetings to absorb discussed topics and allow some time for creative thinking. This is the ideal opportunity for your team to explore and enjoy the exquisite guest areas.

Stretch out on one of the beautiful oversized day beds or comfortable loungers on the Pool Deck. A sparkling infinity pool invites you to cool off while indulging in a variety of signature cocktails.

LUNCH IS SERVED
The Ibiza-styled Beach Bar is perfect to enjoy rustic tapas for lunch, served with ice cold beverages after a morning of hard work.

EXQUISITE GUEST AREAS
Our guest areas have been designed for comfort, relaxation and beachside luxury – making the most of the magnificent views. From fine dining in the White Pearl Restaurant to sipping signature cocktails in the glamorous Ibiza-style Beach Bar, there are a number of interesting spaces to suit your mood.

TIME FOR ADVENTURE
After a delightful lunch and some "me time", gather around for the day's activity. Discover a world of adventure with Pinnacle Reef diving, ocean safaris, snorkelling, horse riding and more. White Pearl Resorts is able to customise team-building activities on our pristine beach.

EXPLORE THE POSSIBILITIES
White Pearl Resorts is able to create bespoke team-building experiences which range from cocktail mixology sessions, cooking lessons with chef, themed dinners to other exciting team building activities. Learn the art of strategy with a traditional game of “ntchuva” - commonly likened to African Chess.

In addition to the host of activities available at White Pearl Resorts, we are also able to offer outsourced activities: Quad Biking; Deep Sea Fishing and Paragliding.
PURE RELAXATION
Surrounded by soothing sounds and calming scents, experience a variety of spa treatments. Feel all tension release with a massage designed to ease your muscles and relax body and mind. White Pearl Resorts also offers yoga, meditation and mindfulness for a holistic well-being.

NIGHT-CAPS & STARRY SKIES
Before dinner, grab a drink and gather around a blazing bonfire sharing your experiences of the day in our elegant Beach Boma whilst listening to the beat of Mozambican drums. Explore the Mozambican sky with the White Pearl telescope and discover the beauty and magic the night has to offer.

FINE DINING
At night, meet your team for a three course dinner and celebrate the finest cuisine Mozambique has to offer. The experience is complete with the warmest of Mozambican hospitality.

GOOD NIGHT
After a productive and eventful day, retreat to your suite. Enjoy a bubble bath, cool off in your sparkling private plunge pool or experience the exhilarating outdoor shower. Then, spend hours dreaming on your heavenly king-size bed until the sun rises again providing yet another day of opportunities.

AN INVESTMENT IN YOUR FUTURE
In essence, your executive team is given the opportunity to slow down and to assess the past, present and future in a relaxing environment. This will ultimately allow them to speed up and emerge energised and inspired to be better leaders and achieve goals. An unforgettable executive retreat is one of the best investments companies can make to help move their companies into a more successful cohesive future.
