

## Growing Pearls Support Our Children in Need - Mamoli School Essentials Drive

White Pearl Resorts is dedicated to making a positive impact in our community through the Growing Pearls Project. We believe that every child deserves to feel dignified and have access to everyday essentials. Join us in our Mamoli School Essentials Drive to support children in need and make a difference in their lives. Together, we can create a brighter future for all.

We would like to ask for your help with the following essentials:

- Bar of soap, toothbrush and toothpaste
- Feminine hygiene products
- Deodorant and roll on
- Toilet paper
- Reading books and writing books
- Grey and white school socks
- Seedlings for the self sustaining garden

Inspired by the words of Jackie Chan, we believe in the power of kindness and caring to bring about meaningful change. Your support can play a crucial role in shaping a brighter future for these children.

By spreading the word and contributing to this cause, you can make a positive impact on the lives of those in need. Contact us at [direct@whitepearlresorts.com](mailto:direct@whitepearlresorts.com) for more information on how you can get involved and help us grow a brighter future together.

White Pearl Resorts is not just a luxury destination but a place where guests can make a meaningful difference. By dropping off donations at the resort, you can support the Mamoli Community School and positively impact the lives of children in need. Your generosity is greatly appreciated, and together we can create a brighter future for these children.

Alternative delivery options include:

### White Pearl Resorts Johannesburg Office

50 4th Street Houghton Estate  
Johannesburg , South Africa  
(Any time between 09h00 – 16h00)
